PRE K - 12 COMBINATION SCHOOL
Kinsman, Ohio

Owner:

Joseph Badger Local School District

Total Project Cost:

\$27.3 million

Completion Date:

2006

Project Description:

The project consisted of a facility master plan and new construction of 1,200 student, 180,00 sq. ft. combination school.

The facilities master plan involved the replacement of the District's aging high school, middle and elementary school facilities with one efficient new pre k-12 combination school.

The result is a warm, inviting facility that provides for the student educational and community social needs, while affording efficient, multi-functional space all in a campus-like setting.
